

MYSORE DIVISION.

Dated September 1913.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 30th September 1913 for restoring Manchapatna Huthekere tank, Regd. No. 71 of Nagamangala Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1915.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Mysore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Manchapatna Huthekere tank, Regd. No. 71 of Nagamangala Taluk;" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

The Government of Mysore have decided to offer a scholarship for training a Graduate in actuarial and allied work. The selected candidate will be required to pass the examinations prescribed by the Institute of Actuaries, London, for enrolment as a "Fellow" of the Institute and also to undergo, if required, a course of practical training in actuarial and allied work. The total period of study and training will be about four years and a part of this period will have to be spent in England. For the period of training in India the scholarship will be Rs. 100 per mensem, and for the period in England £200 per annum, and second class railway fares and ocean passages will be given. If the scholar acquits himself creditably he will be taken into the service of the Mysore Government.

2. Applications for the scholarship are invited from First Class Mathematics Graduates who are natives of Mysore and who are not over 28 years of age. Copies of testimonials should be attached to applications which should reach the Comptroller to the Government of Mysore at Bangalore on or before 1st October 1913.

J. S. CHAKRAVARTI,
Comptroller.
